**Contracts, Grants, Awards, Consultancies**

- School of Public Affairs and Administration, University of Kansas. Program outcomes assessment for accreditation reports. 2013-2015.
- Graduate Program in Public Policy, Oregon State University. Public Attitudes about Alternative Energy Technologies in the face of Climate Change. 2013.
- Project Vote Smart via OSU and WSU. Drafting of final report on evaluation of Youth Vote Initiative.
- University of Colorado at Colorado Springs. Consultant on multiple policy questions, including guidelines for individual retirement agreements, summer school organization and funding, distance education and extended studies organization and funding, and position allocation processes.
- Leigh Stowell and Company. Consultant on issues dealing with the construction of methods for identifying the political cultural attributes of market segments in major American cities.
- Project Vote Smart. Consultant on issues dealing with the enhancement of politician participation in surveys of policy positions in order to better inform voters. 2001. Pro bono.

- U.S.G.S. Reviewer of final report on survey of attitudes about prairie dog protection. 2001. Pro bono.
- Hanford-CERE Project: Documentation of Public Concerns Regarding Environmental Cleanups. Xavier University. Department of Energy pass-through funds. Co-Investigator. Nicholas P. Lovrich, Principal Investigator. \$99,716. 1994-95.
- Canadian Embassy Instructional Support Grants for Mini-Course on Canadian-American Public Policy Comparisons. \$500. 1992.
- Canadian Embassy Faculty Research Programme Grant. “Public Policy Issues Facing the Pacific Northwest: Testing the Role of Postmaterialist Values in British Columbia and Washington State Politics.” Principal Investigator with Nicholas P. Lovrich, Jr., Mary Ann E. Steger, and Brent S. Steel. \$6000. 1991.
- Canadian Embassy Faculty Research Programme grant. “A Study of Canadian and U.S. Environmental Groups as Transmitters of Scientific Information to Governments and the Public: The Case of Acid Rain.” Co-principal Investigator with Nicholas P. Lovrich, Jr., Mary Ann E. Steger and Brent S. Steel. \$4,500. 1987.
- Spokane County contract to survey county citizens’ evaluations of county government. With Nicholas P. Lovrich, Jr. \$5,000. 1985.
- Ohta Foundation of Japan grant to lecture at Nihon University, College

of International Relations, Mishima, Japan. Y1,800,000. 1983.

- Institute of International Education grant to study environmental information holding among citizens, activists and policy makers in the U.S. and Japan. Unofficial co-investigator to Principal Investigator Nicholas P. Lovrich, Jr. \$19,000. 1983-1984.
- College of Sciences and Arts, Division of Humanities and Social Sciences, Washington State University. Project initiation grant for released time to prepare proposal on information holding in American public. \$2,500. 1984.
- Washington State University. Grant-in-Aid for study of Expert Policy Related Technical Information. Principal Investigator. \$500. 1980.
- Washington State University. E.O. Holland Travel Grant. \$246. 1979.
- Natural Resources Law Institute, Lewis and Clark Law School. Survey of Idaho Instream Flow Policy. Subcontract of OWRT grant to Natural Resources Law Institute. Co-Principal Investigator. \$24,069.72. 1978.
- Graduate School. Washington State University. NIMH Bio-Med Grant for the study of the Impact of the Washington Involuntary Commitment Act of 1973. Principal Investigator. \$2,400. 1976-1977.
- Washington State Department of Agriculture, through the Washington State Water Research Center.

Survey of Wetland Owners in Grant and Skagit Counties. Principal Investigator. \$1,400. 1976.

- Department of Interior. Office of Water Resources Research. Study of attitudes toward public participation in water resource allocation in Washington State among selected sub-samples of the public, citizen advisory committees, organization leaders, and agency personnel. Principal Investigator. \$10,674. 1974-75.
- Washington State University. Graduate School. Study of general public attitudes toward water resource issues in Washington State. Principal Investigator. \$5,932. 1974-75.
- Tulane University. The Study of Ideological Conceptualization in the 1968 Election. Principal Investigator. \$950. 1969.
