

Sponsorship opportunities for the KUCIMAT Alumni Reception

at the 2026 International City/County Management Association (ICMA) Conference
Sunday, October 18, 2026 | The Reef on the Water

The Kansas University City Managers and Trainees Alumni Organization (KUCIMAT) is excited to host its annual alumni reception during the ICMA Conference in Long Beach-LA, California. This is an evening for community and planned programming to celebrate our alumni, students, and our #1 MPA program.

Your sponsorship goes directly to supporting the alumni reception costs not covered by ticket revenue, helps to keep ticket prices reasonable, and allows MPA students to attend for free. This reception is supported by the KU School of Public Affairs and Administration (SPAA).
