

KUCIMAT

ICMA Alumni Reception

at the 2024 International City/County Management Association (ICMA) Conference

September 22, 2024, Gateway Clipper, Pittsburgh, PA

The Kansas University City Managers and Trainees Alumni Organization (KUCIMAT) is excited to host its annual alumni reception during the ICMA Conference. This year, attendees will have a unique and exciting experience aboard a Gateway Clipper boat with time for fellowship and planned programming to celebrate our alumni, students, and #1 MPA program.

Your sponsorship goes directly to supporting the alumni reception costs that are not covered by ticket revenue, helps to keep ticket costs reasonable, and allows MPA students to attend. This reception is supported by the KU School of Public Affairs and Administration (SPAA).
